GENERAL TERMS AND CONDITIONS FOR
PROFESSIONAL SERVICES**

Notwithstanding any acceptance, offer, proposal, quotation, acknowledgment or other writing executed by Contractor and Sunoco containing additional or different terms and conditions, commencement of Work by Contractor or any other reasonable form of acceptance shall be deemed an acceptance of all terms hereof. Any additional or different terms and conditions proposed by Contractor shall be deemed rejected unless specifically accepted in writing by Sunoco. All references to "Sunoco" herein shall mean Sunoco Retail LLC, inclusive of all Sunoco parents, affiliates, subsidiaries, and assigns.

1. COMMENCEMENT AND EXECUTION OF THE WORK: Contractor shall commence and carry on the Work under this Contract and shall supply and be represented by competent supervision acceptable to Sunoco, who shall be authorized to act for Contractor in all matters. All directions concerning the Work given in writing to such supervisor shall be as binding as if given directly to Contractor. All skilled personnel employed in connection with this Contract shall qualify therefor by experience and ability. Sunoco may require Contractor to submit proof of such experience and qualifications. Contractor shall employ such safety and security practices as are normal or as required by law for the type of Work authorized hereunder. Should Sunoco so require, Contractor shall comply with Sunoco's Safety and Security Requirements. Contractor shall replace any of its personnel whose Work, at the discretion of Sunoco, is contrary to the requirements of this Contract. Contractor shall not subcontract any obligations hereunder without prior written approval of Sunoco. Contractor shall comply with all local, state and federal rules, regulations, orders, directives and statutes applicable to wage and employment practices and he shall act in the best interest of Sunoco on matters which affect area labor practices and might tend to set precedents. No overtime except spot overtime shall be worked without Sunoco's prior written approval.

2. RECORDS AND AUDITS: Contractor shall keep accurate records of account for all Work performed hereunder; and shall provide copies of same (except of that Work for which a fixed price has been quoted) to the Sunoco as required by Sunoco. Sunoco shall have the right, at all reasonable times during regular business hours, to inspect and audit such records. Contractor shall preserve such records for 36 months after termination/cancellation/completion of this Contract. If the audit discloses that either party owes money to the other, any sums due will be paid within thirty (30) days after the sum due is agreed upon by the parties or determined by a court or other dispute resolution tribunal. In any event, Contractor's right to recover any alleged underpayment shall be waived, unless a claim in writing with full supporting documents is received by Sunoco within 150 days after the end of the particular contract year or the contract term, if less than a year.

3. GUARANTEES AND REMEDIES: Contractor guarantees that all professional services performed by Contractor hereunder shall be in accordance with sound and currently accepted practices and principles normally employed in the industry for the services provided and shall conform to the basic information furnished by Sunoco. Sunoco shall notify Contractor if and in what respect Sunoco determines that any of said Guarantees have not been met. Contractor, at its expense, shall promptly provide the professional Services required to meet the Guarantees. The performance of additional professional Services to meet the Guarantees shall not constitute Sunoco's exclusive remedy under this Contract.

4. TITLE TO PROPERTY: Sunoco shall have title to all Work completed or in progress and to all machinery, equipment, materials and supplies, the cost of which has been paid to Contractor. All studies, designs, drawings, plans, specifications, test results, reports, computer software, inventions, patent rights (including data produced by computer or other electronic means and stored on disc, tape or any other form), copyrights (all of which are hereby considered to be and are created as work made for hire and Contractor agrees to assign said copyright upon request) and other data in any form and in whatever state of completion prepared by Contractor shall be the property of Sunoco upon completion or termination of this Contract. Sunoco shall have the right to use same for any purpose whatsoever without right on the part of Contractor to any additional compensation therefor.

5. INFRINGEMENT: Contractor agrees to defend, indemnify and hold Sunoco harmless from any claim, suit, action or proceeding for infringement in which Sunoco, its parent and its respective subsidiaries and affiliates, is made a defendant whether for actual or alleged infringement of any U.S. or foreign patent, trademark or copyright, or any other property right arising out of Work performed by Contractor under this Contract, and Contractor further agrees to pay and discharge any and all judgments or decrees which may be rendered in any such suit, action or proceeding against Sunoco, its parent or its respective subsidiaries and affiliates including reasonable attorney's fees.

6. TERMINATION, CANCELLATION AND SUSPENSION: If Contractor shall be adjudged bankrupt, or become insolvent, or file for voluntary bankruptcy or be subjected to involuntary bankruptcy proceedings, or enter receivership proceedings, or make an assignment for the benefit of creditors, or if Contractor should persistently or repeatedly refuse or should fail, except in cases for which extension of time is provided, to supply enough properly skilled personnel or proper

materials, or if Contractor should fail to perform the Work, or any part thereof, with the diligence necessary to ensure its progress and completion as prescribed by the time schedule and shall fail to take such steps to remedy such default within five (5) days after written notice thereof from Sunoco as Sunoco shall direct; or, should Contractor fail to make prompt payment to vendors or subcontractors for materials or labor, or otherwise is guilty of a violation of any provision of this Contract, then Sunoco, without prejudice to any other rights or remedies expressly provided for herein, may terminate this Contract, or any part hereof, by written notice to Contractor and shall have the right thereafter to take possession of all materials, equipment and the like. In such cases of termination, Sunoco shall be relieved of all further obligations hereunder and Contractor shall be liable to Sunoco for all costs incurred by Sunoco in completing such Work in excess of the total compensation herein defined.

Upon prior written notice, Sunoco, at its option, may cancel this Contract at any time, whether or not Contractor is in default of any of its obligations hereunder. Upon any such cancellation, Contractor agrees to waive any claim for damages, including loss of anticipated profit on account thereof. However, provided that the Contractor is not in default of its obligation hereunder, Sunoco agrees that Contractor shall be paid an amount which when added to all installments previously paid will equal the sum of all costs properly incurred prior to date of cancellation, plus earned profit on such incurred costs, but in no event shall such amount be greater than the Contract price. Such earned profit shall bear the same relationship to such incurred costs as the profit increment of the Contract price bears to the cost increment of such Contract price. Sunoco reserves the right to verify the amounts of such costs and profit increments through an audit of Contractor's records.

Sunoco reserves the right to suspend the Work of the Contractor at any time in Sunoco's sole discretion. Sunoco shall give Contractor written notice of said suspension of Work. Sunoco agrees to pay Contractor for its costs, charges and expenses arising out of the suspension of this Contract caused by the exercise of Sunoco's rights set forth herein. Costs, charges and expenses shall be exclusive of anticipated profit.

Contractor shall include the aforementioned provisions in all subcontracts in which it enters to the end that Sunoco and Contractor shall have the rights therein set forth with respect to each subcontractor.

7. INDEPENDENT CONTRACTOR: Contractor agrees that it is an independent Contractor in the performance of any Work hereunder and that neither it nor its employees shall be considered employees of Sunoco. Contractor shall retain control or direction of the manner and method of performance of Work under this Contract and Sunoco shall have the right of supervision merely as to the result of the Work. Sunoco shall not be responsible for the direct payment of any withholding taxes, social security payments, payments under workmen's compensation or other insurance premiums, or other charges of any kind, except as specifically outlined herein.

Contractor hereby certifies that it will deduct and pay over to the proper governmental authority any withholding taxes or similar assessments which an employer is required to deduct and pay over and Contractor accepts exclusive liability for any payroll taxes or contributions imposed by any federal, state or other governmental authority, covering its agents or employees.

8. TAXES: Unless otherwise required by law, Contractor has exclusive liability for all sales, use, excise and other taxes, charges, or contributions with respect to or imposed on any material or equipment supplied or Work performed by Contractor, including such taxes or contributions imposed on the wages, salaries or other payments to persons employed by Contractor or its subcontractors in the performance of this Contract. Contractor shall pay all such taxes, charges, or contributions before delinquency or discount date and shall hold Sunoco harmless from any liability and expense by reason of Contractor's failure to pay such taxes, charges or contributions.

9. COMPLIANCE WITH LAWS: Seller agrees all worked performed incident to the Contract and all goods furnished under this Contract shall comply with all applicable federal, state and local laws. Specifically, the Seller agrees to comply with the regulations set forth in the Equal Opportunity Clause at 41 CFR 60-250.5(a), 41 CFR 60-741.5(a), 41 CFR 60-1.4 and Section 202 of the Executive Order 11246, and all amendments thereto, unless specifically exempt.

Seller warrants and agrees that it has used and will continue to use due diligence to ensure that during the performance of this Contract, no officer, employee, agent or other representative of Seller has made or will make any payment in violation of any applicable federal, state, or local law or regulation, and all amendments thereto. Seller shall supply such evidence of compliance as Sunoco may require.

Sunoco shall either notify Contractor of its acceptance of the Work or issue to Contractor a description of deficiencies requiring correction in order for the Work to conform to the Contracts requirements. Upon correction to Sunoco's satisfaction of such additional deficiencies by Contractor, Sunoco shall be deemed to have accepted the Work, and Contractor shall be relieved of any further responsibility subject to the other terms and conditions herein.
